

VETERANS ADMINISTRATION

1954

YOUR FILE REFERENCE:

IN REPLY REFER TO:

D. J. Lederberg:

Dear D. Lederberg:

To answer your request I
enclose a recent note of our
work on lysogenicity.

Unfortunately that's all we have
at present. — This is a tough field —
but we are just sending off
2 Ms's to the J. Bact.

Yours, sincerely
Ernest Borke
